ROYAL PUTTY - THE DYNAMIC EXERCISE PUTTY The Royal Putty is a unique dynamic putty that has been developed together with hand therapists for hand rehabilitation. It responds to the intensity of the loading, high intensity gives a high resistance, low intensity gives a low resistance. The Royal Putty is completely based on paraffin which makes it non-toxic and hypoallergenic. Available in 5 color coded resistance levels and in 2 different packages, 85 g and 2,25 kg. All resistance levels can easily be blended with each other.
